INSURANCE FOR SELF EMPLOYED (SOLE OPERATOR)

Insurance Made Easy provides insurance services tailored to your specific business requirements

Are you a self-employed AUSTSWIM Licenced Teacher working as a contractor, a SAL Swim Coach, AUSTSWIM WETS Instructor then read on;

- ✓ If you are working as a contractor and working more than 30 hours per week or earning more than \$30,000 p.a then the automatic insurance under your AUSTSWIM Teacher Licence will not provide you with cover, so you will need to arrange your own cover
- ✓ Similarly, if you are hiring lanes in a council pool, or teaching in private pools and have your own clients who pay you directly then you are required to arrange your own cover
- ✓ **We have a specific scheme for which we have negotiated reduced rates according to the number of hours per week that you work**
- ✓ The standard level of cover we offer is \$10 Million for Public Liability and \$5 Million Professional Indemnity

An example cost of insurance for the Self - Employed who hold an AUSTSWIM Teacher Licence:

Hour/week	Insurance Cost
Up to 10 hours	\$190.00
Up to 15 hours	\$290.00
Up to 20 hours	\$410.00
Up to 30 hours	\$490.00

- To determine the most appropriate cover, please be aware that weekly hours worked are calculated on an annual average; take seasonal work into account for this calculation.
- Our cover extends Australia wide; including work done in any private pool, council pool and location types as indicated in the AUSTSWIM Guidelines.
