We have over 30 years' experience in assisting tradespeople including those who install Blinds & Awnings. No other insurance Broker in Australia is better suited to arranging your insurance requirements. We can tailor cover to suit what you do as an installer in the Blinds & Awnings industry.

EXAMPLE COVERS

Public & Products Liability including installation

Protects your business for negligence which results in a someone being injured or their property being damaged. With society becoming more litigious, it is important that you can go about your day to day business activities with the security provided by this cover. Aims to cover the cost of the claim after negligence has been established, or, if no negligence is involved, provides cover for the legal defence costs.

Tools of Trade cover

Covers your Tools of Trade for accidental damage, and theft with or without forcible or violent entry.

Trade vehicles

Covers your commercial vehicle for theft, accidents and legal liability.

Personal Accident & Illness cover

Protects you for lost personal income in the event of severe injury or sickness.
