

BUSINESS INSURANCE PROGRAM FOR SWIM SCHOOLS

Join the growing number of swim centres insured with IME (Insurance Made Easy) who have been providing insurance solutions to the Aquatics and Learn to Swim industries for over 15 years.

Professional Indemnity & Public Liability

We provide comprehensive cover for claims made against you as a result of your professional negligence for swim teaching, coaching and other associated activities declared as well as public liability.

Professional Indemnity	Public Liability	Now with Management Liability Cover
\$10 Million	\$20 Million	

Cover is Australia-wide* wherever your business operates and includes cover for legal defence costs for claims of alleged negligence. *(excluding open water)

Building & Contents - Fire

Cover can also be arranged for the contents of your swim school, premises (including the building, pool, fit out and improvements on any rented premises), all coaching aids, office furniture and computer equipment.

Business Interruption

Business Interruption insurance covers the loss of income that your business suffers as a result of a disaster such as fire or storm damage and your swim school cannot operate as a result of the premises being closed for repairs or rebuilding.

Breakage of Glass

It is now common practice for tenants to be responsible for glass breakage. Cover also includes signwriting.

Some other insurance for your consideration

Burglary

Theft of contents such as computers, stock, heaters, and pumps following a break in.

Theft of Money

Swim school cash payments are covered by this policy for the theft or loss of money while in transit anywhere in Australia and on the premises during and outside business hours.

Machinery Breakdown

Machinery Breakdown Insurance provides cover for repair costs or replacement of fixed machinery (such as filtration systems and pumps).
